*annual averages over a 10 year period

WHY PARTNER WITH ATHENS?

Every third party administrator claims they can save you time, money and heartache. We can deliver on the promise. Here's why:

PROVEN RESULTS

Since 1976 we have consistently demonstrated our ability to positively drive measurable results including reductions in claim inventory, claim costs and litigation. We lead the industry in development and implementation of innovative claims administration solutions that deliver results.

RETURN ON INVESTMENT

The total dollar amount that can be tied up in a workers' compensation or liability program can be staggering. We believe it is critical to drive down the total cost of a program by closing claims quickly and for less money than expected. This frees up cash, a critical advantage in today's business environment.

SUPERIOR METHODOLOGY

The Athens Approach delivers the most creative, flexible and cost-effective claims administration solutions possible to a wide variety of organizational types and insurance situations.

CONTINUOUS INNOVATION

Our commitment to technology maximizes productivity and keeps us on the leading edge of the industry.

DEDICATED SERVICE

We never forget that clients aren't just accounts, they're people. We feel their pain, solve their problems, and work with them as true partners to deliver the best possible results.

INNOVATE. ENGAGE. DELIVER.

Real World, Real Results

Athens offers claims administration services to clients in a wide range of industries. We are committed to providing superior service and measurable results to every organization, including yours.
