

Driven to Deliver Athens PBM Solutions

Managing medical costs for our clients is our priority, which is why Athens Administrators has partnered with ScripNet, to bring you the Pharmacy Benefit Management (PBM) Program. ScripNet is a nationwide pharmacy benefit management company committed to controlling and reducing workers' compensation pharmacy costs.

Engaged and effective, we offer proven PBM claims administration expertise with a commitment to delivering superior, measurable results.

Pharmacy Benefit Management (PBM) Program

POWERED BY SCRIPNET

THE ATHENS PHARMACY BENEFIT MANAGEMENT (PBM) PROGRAM

Athens Administrators provides PBM services with specialized solutions tailored to meet the unique needs of the industry.

Our program features include:

Savings on Prescription Medications

- *Leading generic prescription substitutions that help to eliminate fraud and abuse*

Reliable & Extensive Coverage for Injured Workers

- *Customized prescription cards that accelerate the prescription fill process*

Drug Utilization Review

- *The ability to monitor the type, duration and strength of prescribed medications*

Customized Process

- *The ability for our clients to create customized formularies*

Personal Approach

- *A designated Account Manager to help design your custom program*

The Athens PBM specializes in controlling and reducing workers' compensation pharmacy costs by:

- *Providing leading-edge technology with our pharmacy partners*
- *Performing retrospective review of all pharmacy bills*
- *Applying discounts to network pharmacy bills*
- *Utilizing an extensive network of pharmacy partners such as: Costco, Walmart, Walgreens, Rite Aid, Sam's Club and Target*
