Please read all pages

This form is “fillable.” That means you can type the information onto the form from your computer and print the form. You will not be able to save the form onto your computer’s hard drive.

When you open the form, click in the “Employee’s Name” box (field), complete the information, and use the tab key to navigate to the next field. Do not use the Enter key; pressing the Enter key will only page down. Each field has been *limited*. This means that you cannot continue to type information into a field if it doesn’t fit into the space provided.

Use numbers only to fill in the fields for Social Security #, phone numbers and dollar amounts. If a dollar amount contains cents, do type the period. To fill in a check box, click inside the box with your mouse. Some check boxes require you to select only one answer; you cannot check both. The “Injury Description”, “Name of Witness”, and “Name of Doctor” fields have a gray border to indicate how many lines you have to type in. Use the tab key to navigate to the next field.

To clear or delete all the information you have typed onto the form, click on the red “Clear Entire Form” button. To change the information in one field, use the backspace or delete key.

COLORADO WORKERS' COMPENSATION INFORMATION

Your employer has workers' compensation coverage for employees through:

Workers' compensation is a type of insurance coverage that employers must provide to their employees. The cost of workers' compensation insurance is paid entirely by the employer and may not be deducted from an employee's wages.

If you are injured or sustain an occupational disease while at work, you may be entitled to compensation benefits as provided by law. **WRITTEN NOTICE MUST BE GIVEN TO YOUR EMPLOYER WITHIN 4 WORKING DAYS OF THE ACCIDENT.** If you don't report your injury or occupational disease promptly your benefits may be reduced.

If you are unable to work as the result of a work-related injury or occupational disease, compensation (wage replacement) benefits will be based on 2/3 of your average weekly wage up to a maximum set by law. No compensation is payable for the first 3 days' disability unless the period of disability exceeds two weeks.

You are entitled to reasonable and necessary medical treatment of compensable injuries or occupational diseases. If you notify your employer of an injury or occupational disease and are not offered medical care, you may select the services of a licensed physician or chiropractor.
