Utilization
Management
Expires 12/01/2021

Athens Administrators is proud to announce that it has earned URAC accreditation in Workers' Compensation Utilization Management. URAC is the independent leader in promoting healthcare quality through accreditation, certification and measurement. By achieving this status, Athens Managed Care had demonstrated a comprehensive commitment to quality care, improved processes and better patient outcomes.

“Appropriateness and efficiency are words to live by in meeting new value-based goals for population health. Athens Administrators' URAC accreditation shows an ability to abide by the gold standard when it comes to performing Workers' Compensation Utilization Management functions,” said URAC President and CEO Kylanne Green. “URAC's utilization management accreditation standards promote an evidence-based and reasonable review of services that respect both patients and providers.”

ATHENS MANAGED CARE

Athens Managed Care, Inc. offers innovative managed care solutions that improve patient care quality while lowering claims costs for employers. Engaged and effective, we specialize in designing, developing and maintaining medical care programs that integrate care services within Workers' Compensation to deliver superior, measurable results for both injured workers and their employers.

Athens Managed Care Solutions:

We believe our URAC accreditation is an incredible tool for our clients as it shows our commitment to provide high quality healthcare to our injured workers. It is also another differentiator that separates us from our competitors, and according to the URAC website, the accreditation “demonstrates your organization's commitment to quality, nationally recognized guidelines and evidence-based medicine.”
