KEEPING YOU CONNECTED

CLAIMS MANAGEMENT AT THE TIP OF YOUR FINGERS

Risk Managers can search for claims by a variety of options, access detailed loss information, communicate with an examiner, access claim notes and view payments that have been issued.

Navigating losses doesn't need to be hard. At the touch of a button both the risk manager and the injured worker have the ability to access specific information regarding their claim.

The injured worker can track and manage pertinent information regarding the status of their loss and track approved payments that have been issued to the employee.

Risk Managers can search for claims by a variety of options, access detailed loss information, communicate with an examiner, access claim notes and view payments that have been issued.

The Athens App

CHANGING THE WAY YOU MANAGE CLAIMS

In today's world, our society is used to having information at the tips of our fingers. Here at Athens, we want to make the claims handling process as accessible as possible.

The Athens App provides clients and employees access to their claims 24/7 - 365 days a year. By providing real time information you are able to check on a claims status, view and submit notes and chat with an examiner, all at the touch of a button.

INJURED WORKERS PORTAL

The injured workers portal provides easy access for employees to:

- Access pertinent information on the status of their loss
- Provides list of approved payments issued to employee
- Allows injured worker to leave a message for the handling examiner
- Has a hyperlink for phone number of the assigned examiner
- Secured login
- Does not contain any confidential or personal identifiers

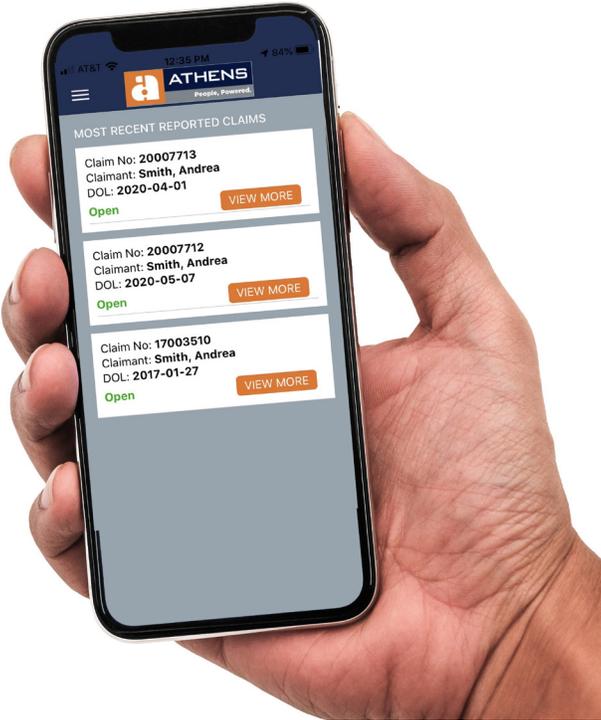

RISK MANAGER PORTAL

Allows the risk manager to search losses based on:

- Claim number
- Injured workers name
- Date of loss
- Open/Closed status
- Date of Injury

Provides detailed loss information such as:

- Date of injury
- Nature of injury
- Claim number
- Accepted/Denial date
- Open/Closed status
- Litigation status
- Examiner contact information
