

ATHENS Managed Care

QUALITY MANAGEMENT. QUALITY CARE.

Our managed care solutions provide the highest quality proactive management of Workers' Compensation cases, lowering claim costs while delivering improved health results for patients.

Athens Managed Care offers innovative managed care solutions that improve patient care quality while lowering claims costs for employers.

Engaged and effective, we specialize in designing, developing and maintaining medical care programs that integrate core services within Workers' Compensation to deliver superior, measurable results for both injured workers and their employers.

INTEGRATED SOLUTION

ATHENS MANAGED CARE

Athens Managed Care, Inc. provides businesses with specialized managed care solutions that deliver superior patient care and result in lower overall claims costs:

- Experienced Managed Care Team
- Fully Integrated Managed Care Approach
- Complete Transparency with Bill Review, Claims and Case Management
- Aggressive Claims Management Strategies
- Client Specific Criteria Development
- Highly Efficient Referral Process
- Highest Level of Timeliness, Communication and Accuracy

REQUEST FOR AUTHORIZATION REVIEW

Our highly-trained staff review prospective, concurrent, and retrospective requests for treatment authorizations against nationally accepted evidence-

based guidelines. Leading edge technology enhances timeliness of reviews, enabling the rapid return of employees to work while decreasing the wait period for authorizations.

PHYSICIAN PEER REVIEW

Our physician peer review panel consists of URAC accredited IROs (Independent Review Organization) who provide experienced, actively treating physicians in a wide range of specialties. All reviews are licensed and specialty matched according to state regulations guaranteeing a strong, defensible determination.

QUALITY YOU CAN COUNT ON

Our strict quality assurance ensures compliance with all state mandated regulations as well as URAC standards for Workers' Compensation. Ongoing educational seminars ensure comprehensive understanding and compliance with trends and regulation changes.

OUR APPROACH TO EFFECTIVE MANAGED CARE
