

Texas Injury Benefit Programs

A RESPONSIBLE ALTERNATIVE FOR **WORKERS' COMPENSATION**

TARGETED SOLUTIONS

Athens Administrators is a third-party claims administrator specializing in the administration of Texas injury benefit programs.

Athens offers Texas injury benefit program expertise with a commitment to delivering measurable results through guidance, direction and assistance in managing occupational injury programs. With over 30 years experience, our team of adjusters will design a customized claims administration program and work with Texas employers to minimize risk and position clients for improved growth and efficiency.

TARGETED SOLUTIONS

For Texas Injury Benefit Programs

ATHENS ADVANTAGE

- In working with a large variety of clients, Athens has developed a deep understanding of the nuances of an injury benefit program. We know how to effectively manage and how to deliver customer satisfaction and positive bottom line financial results.
- Familiarity with a variety of industries, both boutique and large corporations, including retail, professional services, agriculture and livestock.
- Athens' experienced nurse case managers communicate effectively with physicians in order to coordinate and manage appropriate, quality and cost-effective health care.
- Athens has a long history of experience in dealing with approved providers and will assist you in key control measures that make your plan cost efficient throughout the state. Our staff are experts in litigation, mediation and arbitration.

INDUSTRY-SPECIFIC SOLUTIONS

- With over 30 years specializing in the Texas injury benefit programs, Athens Administrators has the sensitivity and knowledge of the liability issues affecting Texas employers.
- Our knowledgeable staff of industry veterans remain up to date on the latest in legislative and Department of Labor changes as well as ERISA, HIPPA, and DOL by taking a proactive approach to continued education.
- Flexibility on creating customized claims handling protocols that meet the needs of your injury benefit program.
- Bilingual staff to meet the needs of Texas employers.
- 24/7 access to real time, user friendly claims management software.

Advantages of a Texas Injury Benefit Program

The State of Texas allows employees the ability to opt-out of a traditional workers' compensation and to opt-in in a Texas Injury Benefit Program.

- Approximately 40-70% savings over traditional workers' compensation programs.
- More effective medical and disability management of employee injury claims.
- Allows employers to take a proactive approach toward claims administration, allowing employers to tailor their injury benefit programs to fit industry needs.
